

Pirate-brand Plastic Loot Box

PIM285

Pliable polypropylene provides protection for portable parts of projects, equipment and contraptions*.

Store your components, projects, penny sweets or doubloons tastefully and securely in our loot box!

- transparent so that you can see all your precious loot
- secure clasp keeps the lid closed for peace of mind
- awesome Pimoroni design makes even your component storage look great!
- dimensions: 145x90x40mm

**Each Loot Box is opened, filled with ~500cm³ of the purest Sheffield sea air, and closed again, before shipping to you.*
